QUEEN'S AVENUE

P. O. BOX 320.

LONDON, ONTARIO.

**T**HE AIM of the Religious of the Sacred Heart is to give to their pupils an education which will prepare them to fill worthily the place for which Divine Providence destines them.

The training of character and cultivation of manners are therefore considered matters of primary importance, and the health of the pupils is the object of constant solicitude. Active physical exercise is insisted upon.

The course of studies comprises a thorough English education. Special advantages are offered for learning French and Needlework. The Musical Course fits pupils for the examinations of the London Conservatory. Terms and other particulars for Board, Half-Board, and for the Day School, will be had by applying at the Convent or addressing the Mother Superior.
